Defenders of Ukraine Fund  
c/o Ukrainian Canadian Congress (National)  
Ottawa, Ontario K1P 1B1

This is letter of support for the application of the Ukraine War Amps (UWA) to the Defenders of Ukraine Fund.

The Ukrainian Canadian Congress – Manitoba Provincial Council Euromaidan Committee (UCC-MPC EC) has worked with the UWA for the past several years. The UCC-MPC EC has funded several amputees or severely wounded soldiers through the UWA program and we have been happy with the high-level of transparency and accountability that UWA provides.

UCC-MPC EC has encouraged Ukrainian Canadian individuals and associations in Manitoba to donate funds to help Ukrainian wounded warriors through UWA. Feedback from those groups which have worked with UWA have been without exception positive.

We feel confident that if awarded a grant from the Defenders of Ukraine Fund, the UWA has the capacity and experience to deliver on the goals as stated in its application. These funds will have a long term impact on the recipients of the aid, and will allow UWA to further develop its ability to deliver meaningful assistance to veterans suffering from the most debilitating injuries. The quality of life of these wounded soldiers and that of their families will be drastically improved well into the future.

Sincerely,

Ostap Skrypnyk  
Chair, UCC-MPC Euromaidan Committee
