**Time flies when you are doing a good thing—Ukraine War Amps turns five years old on July 17, 2019.**

In the past five years, over \$125,000 has been given to support more than 100 soldiers and families. Since Jan 1, 2015, every single day UWA has been delivering a minimum of \$65 USD to a family in need in Ukraine.

We have had help from 200 donors, 25 volunteers, and 10 media representatives from all over the world (four continents, 11 countries)

More than 15 communities and organizations across Canada and the United States have supported our cause.

Media coverage has included two TV shows, radio programs, online and print newspapers in English and commercials and advertisements in Ukrainian, English, French, and Russian.

UWA volunteers and community members have received 25 awards and 6 medals for their commitment and outstanding service to Ukraine since 2015.

We pride ourselves on being 100% volunteer organization, which ensures that all donations go directly to those in need.

**Adopt a Soldier** is the most popular of our five programs, with \$24,640 USD raised and delivered to injured Ukrainian soldiers by the UWA community in 2018 alone!

We had another strong year supporting severely wounded soldiers and the families of the fallen in 2018. Through your generous donations and your hard work as volunteers, UWA delivered more than \$36,040 USD personally to the victims of the ongoing armed conflict in Ukraine—a good 10% increase over 2017.

*Change for Hope*

**Your change is our hope!**

UWA and its volunteers encourage caring people to collect dimes, quarters, loonies or toonies and donate, as often as possible, to the maimed soldiers or to the orphaned children of war in Ukraine.

A little goes a long way - to assist and create a lasting change in someone's life who is still suffering and struggling after having faced so much loss in life.

For less than a price of a coffee, you can help.

Your donation can be made through [Paypal.com](https://www.paypal.com) making [ukrainewaramps@gmail.com](mailto:ukrainewaramps@gmail.com) as the beneficiary.

We are so grateful to every person who is making that change possible today.

*To Each Its Own Crusade - our first documentary film*

This documentary film is a testimony for the extraordinary contributions of our Ukraine War Amps community and its fight to save the lives of the ones afflicted in this ongoing war. This film will take you on a journey through the years of present Moscow-Ukrainian war depicting the trials and tribulations and the sacrifice of the wounded soldiers and their families, and show you how our UWA community stood up to support them during this upheaval time in Ukraine.

It also unveils the profoundly moving and touching stories of the Heroes supported by our UWA community. You will meet UWA volunteers and the families of Ukrainian wounded soldiers in Ukraine, and we also transport you across the ocean to meet UWA supporters in the USA and Canada.
